Meeting Date: June 24, 2014

Item Title: Approve Fiscal Year 2014-15 Expenditure Plan for Proposition 30 Funds

Item Type: Discussion/Action

APPROVED
6/24/14 jo

BACKGROUND:

Proposition 30, *The Schools and Local Public Safety Protection Act of 2012*, temporarily increases the State's sales tax rate and the personal income tax rates for upper-income taxpayers through 2018-19. The passage of Proposition 30 did not provide additional revenues to schools; however, it did prevent any mid-year cuts to education funding that would have otherwise occurred.

Proposition 30 contained several accountability measures including:

- Requires school governing boards to make spending determinations at an open session of a public meeting
- Prohibits funds from being used for administrative costs
- Requires districts to annually publish accounting of funds on its website
- Inclusion of Proposition 30 revenues and expenditures in annual financial audits

For Fiscal Year 2014-15, it is estimated the District will receive \$1,770,750 in funding as a result of the passage of Proposition 30. Staff recommends that the Board approve the attached allocations.
